*Straeon i danio dychymyg,
magn hyder darllen a datblygu
llythrennedd*

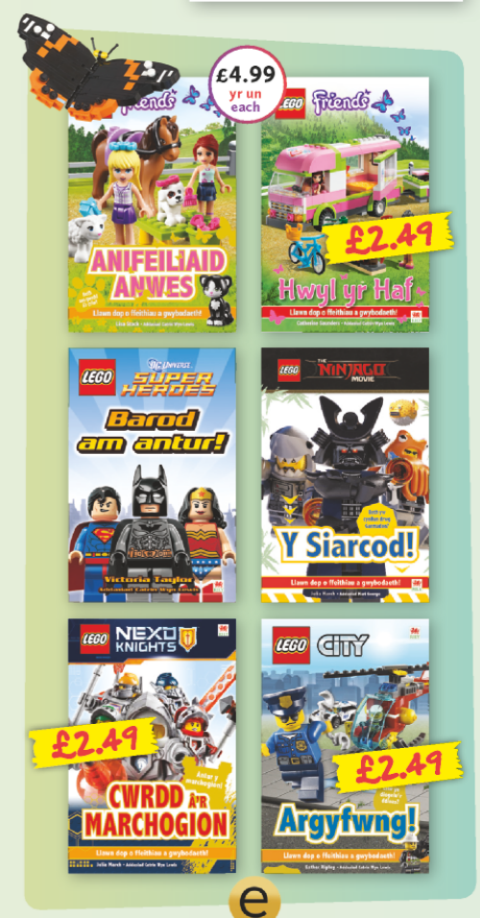

Addasiad Mared Llwyd - athrawes ysgol gynradd brofiadol, awdur a mam i ddau o blant ifanc. Mae'r straeon yn y gyfres hon wedi'u creu'n ofalus i hwyluso darllen plant gartref ac yn y dosbarth, yn unol â'r Fframwaith Llythrennedd Cenedlaethol yng Nghymru. Perffaith i helpu plant i wella eu sgiliau llythrennedd gyda thestunau hwyliog a phoblogaidd.

Rydym yn datblygu gweithgareddau hwyliog, sydd ar gael trwy ein gwefan, i gefnogi'r gyfres newydd hon y credwn y bydd rhieni, gofalmwyr ac athrawon i gyd yn ei chael yn ddefnyddiol.

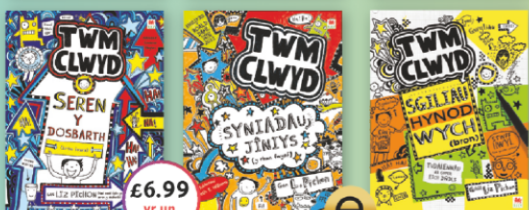

Adapted into Welsh by Mared Llwyd - an experienced primary school teacher, author and mother of two young children. The stories in this series have been carefully tailored to facilitate children's reading at home and in the classroom, in line with the National Literacy Framework in Wales. Perfect to help children improve their literacy skills with fun and popular reads.

We are developing fun activities, accessible via our website, to support this new series that we think parents, carers and teachers will all find useful.

*Stories to spark imagination,
build reading confidence and
develop literacy*
