

Disney  
THE  
LION KING

**Imagination activity**

This story is based in Africa; a country full of amazing animals of all kinds. Think about your favourite animals (wild or tame), and consider their sound, their colours, their bodies, and the interesting things about them

Why not create an imaginary animal? It can be a brand new one, or a combination of many other animals ... monkey tail, cat ears, pig nose – anything!

What is their name? \_\_\_\_\_

Where do they live? \_\_\_\_\_

What do they like to eat? \_\_\_\_\_

Are they covered in fur or do they have smooth skin? \_\_\_\_\_

What noise do they make? \_\_\_\_\_

Draw your imaginary animal.
